# RESEARCH NETWORKS

- Faculty and graduate students might be interested in joining two existing research networks focused on providing a resource to USAID for our programming to be grounded in evidence.
  - The Research Technical Assistance Center (RTAC) focuses on short-term projects under a year.
  - Long-term Assistance and Services for Research - Partners for University-Led Solutions Engine (LASER-PULSE) focuses on longer-term research.
- Both are actively seeking researchers to join their networks.
